## ELIGIBILITY

**ALL FULL-TIME STUDENTS** of South University who are enrolled at least half-time in a degree seeking program are eligible for this medical plan. In order to be accepted, students must enroll within 31 days of the effective date for the term applied.

DEPENDENT COVERAGE is available. Insured Students may also enroll their eligible dependents in the plan.

An eligible Dependent is:

- 1) An Insured Student's spouse, who is not legally separated from the Insured Student; or
- 2) The unmarried child or children under age 19, or up to age 25 if a full-time student, who are not self-supporting. Dependent coverage will not be effective prior to that of the Insured Student or extend beyond that of the Insured Student.

A child of an Insured Student or an Insured spouse will be covered under the Policy for the first 31 days after:

- 1) Birth of a Newborn Child;
- 2) The effective date of adoption of the child; or
- 3) The date of placement of the child for adoption.

The Insured Student will have the right to continue such coverage for the child beyond 31 days. To continue the coverage the Insured must, within 31 days after the birth, adoption or placement for adoption:

- 1) Apply for coverage; and
- 2) Pay the required additional premium. If the Insured Student does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child's birth, adoption or placement for adoption.

"Newborn Child" means:

- 1) A newly born child of the Insured Student from the moment of birth provided that the Insured Student is insured under the Policy;
- 2) A child to whom a decree of adoption by the Insured Student has been entered within thirty-one days after the date of the child's birth and the Insured Student has temporary custody of the child provided the person adopting the child is Insured under the Policy on the date of child is placed with the Insured Student; and,

## ELIGIBILITY CONTINUED.....

Dependent eligibility expires concurrently with that of the Insured Student.

After your initial enrollment and quarterly premium payment are received, you will be billed directly for each subsequent quarterly premium for the balance of the 2005-2006 school year.

To avoid a lapse in coverage your premium will be due by the due date. For example if your premium is due January 1, 2006, your premium must be received by January 1, 2006. If it is not received by that date, your coverage will be terminated paid to January 1, 2006.

This policy is a non-renewable one year term Policy. Enrollment in the plan is quarterly (3 months). The Eligible Student and their Eligible Dependents may apply for coverage beginning October 1, 2005, January 1, 2006, April 1, 2006 or July 1, 2006 depending on when you begin classes.

## **HOW TO APPLY FOR COVERAGE CONTINUED.....**

The Master Policy on file at the University becomes effective at 12:01 a.m., October 1, 2005. Coverage becomes effective on that date or the date application and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 12:01 a.m., October 1, 2006. Coverage terminates on that date or at the end of the period through which premium is paid.

Once you graduate you may continue your coverage one more quarter after graduation. For example: you are on the plan paid to July 1, 2006 and graduate in June 2006. You can then continue your coverage for one more quarter, from July 1 through September 31, 2006.

**ANY QUESTIONS REGARDING ELIGIBILITY OR PREMIUM PAYMENTS SHOULD BE DIRECTED TO USI NW AT 1-800-251-4246.**

## **EXTENSION OF BENEFITS**

If a Covered Person is hospital confined on the termination date from a covered Injury or Sickness for which benefits were paid before the termination date, covered medical expenses for such Injury or Sickness will continue to be paid during the hospital confinement as long as the confinement continues but not to exceed 12 months after the termination date. The total payments made in respect of the Covered Person for such condition both before and after the termination date will never exceed the maximum benefits provided under the plan.

## **CERTIFICATE OF CREDITABLE COVERAGE**

When your coverage terminates, you can request a Certificate of Creditable Coverage, which is evidence of your coverage under this policy. You may need such a certificate if you become covered under a group policy or other health plan within 63 days after your coverage under this policy terminates. If the subsequent policy excludes or limits coverage for medical conditions you have before you enroll, this Certificate may be used to reduce or eliminate those exclusions or limitations.

To obtain a Certificate of Creditable Coverage, please contact USI NW at 1-800-251-4246.
